## **NOTICE**

- No Additional Cost

This Legislative Review is sent to all MCA subscribers at no additional cost.

- Helpful Tables

You must use the Tables of Effective Dates (ppg. 169, 181) to determine an effective date and the Table of Session Law to Code (pg. 133) to determine what code section numbers have been assigned to new law.

- Code Sections Affected

Every code section affected in some manner by the 2001 Legislature (enacted, amended, renumbered, or repealed) is listed in this table (pg. 67).

- Index

Keep the Review Index (pg. 209) for use with your 2001 Code. The Code will arrive in advance of the 2001 updated index to the Code.

Comments or suggestions concerning the Review should be sent to the Code Commissioner, Montana Legislative Services Division, PO Box 201706, Helena, MT 59620-1706.

**Code Commissioner**  
Gregory J. Petesch

Ch. 306 §§ 1, 2, and 4-6 § 3	HB 642	04 21 2001

[Section 3] is effective July 1 of the first year following the date that the governor by executive order certifies to the secretary of state that the resource indemnity trust fund balance has reached \$100 million. The secretary of state shall notify the department of revenue, the department of administration, the code commissioner, and the legislative fiscal division of this certification.

06 30 2013 . . . . .	Ch. 70 . . . . .	HB 40
?	Ch. 272 . . . . .	SB 51
?	Ch. 290 . . . . .	SB 289 ([This act] is effective contingent on the execution of an agreement between the department of military affairs and the public employees' retirement board establishing that employer contributions for all firefighters hired by the Montana national guard pursuant to (section 20 will be paid with federal funds passed through the department of military affairs and remitted to the firefighters' unified retirement system in a manner prescribed by the public employees' retirement board. The board shall notify the secretary of state and the code commissioner when this contingency is met.)

?	Ch. 306	HB 642
?		(§ 3, [Section 3] is effective July 1 of the first year following the date that the governor by executive order certifies to the secretary of state that the resource indemnity trust fund balance has reached \$100 million. The secretary of state shall notify the department of revenue, the department of administration, the code commissioner, and the legislative fiscal division of this certification.)
?	Ch. 321	SB 262
?		(§ 3, If one or more of the contingencies in (section 3) occur, the applicable contingency is effective upon certification of that contingency to the governor and the secretary of state and notification to the Montana code commissioner.)
?	Ch. 473	SB 282
?		([This act] is effective contingent on a determination by the Montana supreme court that, based on decisions reached in the federal bankruptcy proceedings involving W.R. Grace and other circumstances that the court deems advisable to consider, there exists sufficient need to implement the provisions of (this act). The court shall notify the secretary of state and the code commissioner when this contingency is met.)
?	Ch. 485	SB 510
?		([This act] is effective on the date that the governor certifies by executive order that the federal government has transferred the title to federal property interests to the state as part of the Crown Butte land exchange and certifies that the property is not restricted from being used as provided in (this act). The governor shall provide a copy of the executive order to the secretary of state and the code commissioner.)
?	Ch. 490	HB 116
?		(§§ 34 and 37, Effective contingent upon certification by the public employees' retirement board pursuant to section 65, Chapter 471, Laws of 1999, that the defined contribution plan is ready to become operational or on July 1, 2002, whichever is earlier.)
?	Ch. 514	HB 452
?		(§§ 4-8, Effective contingent on the notification to the secretary of state that the commissioner of internal revenue has made a favorable determination pursuant to [section 9].)
?	Ch. 531	HB 572
?		(Effective on July 1 immediately following the date the governor by executive order certifies to the secretary of state that the resource indemnity trust fund balance has reached \$100 million. The secretary of state shall notify the department of revenue, the department of administration, the code commissioner, and the legislative fiscal division of this certification.)
?	Ch. 568	HB 644
?		([This act] is effective 30 days after the director of the department of transportation certifies to the governor, sending a copy of the certification to the secretary of state and the code commissioner, that (1) an ethanol plant is operational and producing fuel in Montana; and (2) the net working capital in the restricted highway state special revenue account, excluding any proceeds obtained through debt financing, is at least \$20 million on June 30 following the date on which the condition in subsection (1) is complied with.)

?	Ch. 578	HB 573 (§ 3, Effective when the director of the department of environmental quality and the administrator or the presiding officer of the board of oil and gas conservation certify to the governor that a final environmental impact statement on coal bed methane development has been prepared and a record of decision has been signed. The director of the department of environmental quality and the administrator or the presiding officer of the board of oil and gas conservation shall provide a copy of the certification to the Montana code commissioner.)
?	Ch. 586	SB 322 (§ 7, Effective on July 1 immediately following the date that the governor by executive order certifies to the secretary of state that the resource indemnity trust fund balance has reached \$100 million and applies to the then-current academic year. The secretary of state shall forward a copy of the executive order to the code commissioner.)
